# Memorandum

**Date:** September 26, 2017  
**To:** Parks and Recreation Planning Board  
**From:** Renee Jordan, Chief Park Planner  
**Subject:** Park Fee Map, proposed update

Per our last Park Board meeting, Park Planning is in the process of researching Park Fee ordinances. We've identified that the first priority should be to update the Park Fee map to allow the City to capture park fees in areas soon to develop. The next phase will be to research and address the current fees portion of the ordinance, and the final step will be to research and address the proposal of fee collection options in commercial/retail areas.
