

## Help Promote Shelter Pets by Creating Photo Shoot Backdrops

Be creative and help promote adoption of shelter dogs and cats by making a backdrop for our pet photographers to use. The poster paper, tablecloth or fabric will be attached to a wall with Velcro or tape. Recommended sizes are 54x70, 60x84 or 60x104. You can cut out cute designs, and decorate them with non-toxic markers to attach to the backdrop with Velcro.

You can also purchase seasonal and holiday themed items such as hats, feather boas, bow ties, at local retailers for the animals to wear for their photo shoot. (See examples below)

### Materials Needed:

- Construction Paper
- Poster Paper/Poster Board
- Felt
- Velcro
- Scissors
- Non-toxic markers
- Holiday or Seasonal themed washable/wipe off tablecloths or fabrics available at local retailers
- Novelty or seasonal items such as hats, bow ties, feather boas etc. available at local retailers
