

## Family Place (ages 0-3) Parent/Child Playgroup

*Harrington Library is a Family Place Library. Family Place libraries redesign the library environment to be welcoming and appropriate for children beginning at birth; connect parents with the resources, programs and services offered at the library and other family service agencies; and reach out to non-traditional library users.*

*This creates the network families need to nurture their children's development during the critical first years of life and helps ensure all children enter school ready and able to learn.*

*Spend time together, play, make friends, and talk one-on-one with child development specialists*

*Registration required in person at Harrington*
