Dear Multifamily Complex Manager,

As you are aware, Plano Fire Rescue conducts inspections of your property on an annual basis. We appreciate your assistance with this critical life safety inspection. Inspectors will be conducting exterior and interior inspections of the site. The inspector will need to inspect the inside of a minimum of two units in each building and must be accompanied by a representative of the complex for all interior site inspections. You will receive a copy of the report.

Thank you again for helping Plano maintain its high quality of living by providing a fire safe community for your residents.

Should you have any questions, please contact me at (972) 941-7427.

David Kerr
Fire Marshal
