The papers include correspondence, miscellaneous papers, diaries, scrapbooks, and miscellaneous newspaper clippings.

# Resources

## Census Records

Genealogy, Local History, Texana, and Archives (GLHTA) has the complete U.S. Federal Census for Texas from 1850 to 1930 and the U.S. Federal Census for all states from 1790 to 1850. The 1820 to 1830 censuses are on CD. The 1840 U.S. Federal census is incomplete at this time. Indexes to most of the censuses are located on CDs in the library. The 1900 Texas Soundex is now available.

## County, State, and Federal Records

Many sources are available on microfilm/fiche or in book form including county and state histories, as well as abstracts of records such as wills, deeds, marriages, court minutes, vital records, church, cemetery, and colonial collections of several states. Indexes to the federal census, marriages, land records, etc. are available on CD-ROM.

## Military Records & Passenger Lists

Indexes to some military records and passenger lists are available on CD-ROM and some are available in book format.

## Family Histories

The family history section is arranged alphabetically by the primary family. This section is located in the call number area 929.2. Most histories are donated and new ones are welcomed. There is a surname vertical file which has lineage charts, notes, and other information on a variety of surnames.

## Vertical File and Map File

The vertical file consists of miscellaneous papers of genealogical interest arranged in alphabetical order by subject. The map filing cabinet houses many county maps for areas in Texas and other states.
