

**CONSTRUCTION & DEMOLITION (C&D) RECYCLING APPLICATION
COMMERCIAL RECYCLING SERVICE PROVIDER**

The Construction & Demolition Recycling Permit allows removal of recyclable materials from construction sites as provided in Ordinance No. 2008-9-35 §II, Sept 2, 2008 which requires all commercial recycling service providers and commercial transporters of recyclable materials in the City of Plano, Texas to register with the Environmental Waste Services Division. Other permit requirements are listed below and must be adhered to in conjunction with all stated requirements in this application. Incomplete applications will not be processed.

It shall be unlawful for any person to use this registration for collection of solid waste through the use of commercial recycling containers.
