### 3D Printing (ages 13+)

Delve a little deeper into 3D design with this class designed for teens and adults

**Harrington**      **Tue Aug 20 6-8pm**

A \$8,570 "Impact" grant from U.S. Institute of Museum and Library Services and Texas State Library and Archives Commission under the provisions of the Library Services and Technology Act (2019) is bringing access to 3D printing services and instructional classes to Harrington and Parr libraries!

In addition to the 3D printing service and workshops at Davis Library, funding from this grant makes 3D printing classes and services more accessible across Plano to better serve an eager, well-educated and tech-savvy community.
