

2019 Environmental Star of Excellence Business Awards Nomination Form

Environmental Stewardship Program

The Environmental Star of Excellence (ESOE) Business Awards, sponsored by the City of Plano Commercial Recycling Division, are designed to recognize businesses that demonstrate outstanding environmental leadership and achievement within the Plano community. The ESOE Business Awards support businesses that approach sustainability through decision-making which integrates environmental and social concerns into business and economic decisions.

Categories: The ESOE recognizes businesses in the following categories. Businesses may be nominated in more than one category. *Commercial Recycling reserves the right to place the nominee in another award category.*

	Environmental Stewardship – Recognizes the environmental commitment of a business with 50 or more employees, which implements environmental initiatives that go beyond impacting its immediate organization.
	Corporate Campus – Recognizes a campus employing over 500 employees which integrates multiple waste reduction processes, engages its employees in community outreach and allocates resources in part on an altruistic basis.
	Green Construction – Recognizes a construction project or partnership which results in a high diversion rate or efficient building construction.
	Small Business – Recognizes a business with less than 50 full-time employees which exhibits sustainable practices and initiatives.
	Multi-Family – Recognizes a multi-family community (including senior living facilities) which has incorporated green features and offers environmentally friendly options to its residents.
	Green Business Certified (GBC) – Recognizes a Green Business Certified program member which exhibits a commitment to our environment and community.
